## What is the Foundation?

The HPAR Foundation was formed in 1991. Our mission is to promote, assist, strengthen and advance the quality and availability of programs and facilities for residents of the City of Hoover. Our Board of Directors consists of a minimum of five community members.

The Foundation works closely with the Parks and Recreation Department to meet the needs of the community by soliciting outside funding and hosting a variety of fundraisers.

Hoover Park and Recreation Foundation is a non-profit organization with donations being tax deductible as allowed by law. 100% of the funds and proceeds donated to the Foundation benefit the community.

You have the opportunity to participate as an individual, business, corporation, organization or club. Contributions can be made in a variety of ways.

# Ways to Give

## Cash Donations

Most are given in the form of cash or checks. Checks should be made payable to the Hoover Parks and Recreation Foundation.

## Bequests

Gifts through wills and bequests can provide you with the opportunity to honor and sustain your family name in conjunction with the HPAR Foundation's name recognition program. The Hoover Parks and Recreation Foundation will work with you and or your attorney to provide you with the language necessary to insure that your intentions are clearly expressed.

## Life Income/Charitable Trusts

Charitable trusts and charitable gift annuities offer an opportunity to make a substantial gift without forfeiting the annual income produced by these assets. You can retain income for your life and the life of your spouse. This gift can also be structured to create a substantial tax benefit over a period of years.

## Life Insurance

Many, if not most people, own some form of life insurance. It can play a very important part in planned charitable giving. Donations through life insurance can be accomplished by either the transfer of ownership of an existing policy or the purchase of life insurance which names HPAR Foundation as the beneficiary and/or owner.
